

CONNECTICUT TRAPSHOOTING ASSOCIATION
STATE ANNUAL MEETING MINUTES
JUNE 23, 2013

President Minervini called the meeting to order. A motion to dispense with the reading of the minutes was given by Lenny Benedetto and was seconded by Delegate DeSerio.

President Minervini gave the Treasurers Report on behalf of Treasurer Fred Farber who was unable to attend. The annual rebate from the ATA was \$2628.00. The CTA check book balance is just under \$8000.00 and there are three CD's held that mature at different dates. In 2012 there was \$896.00 in daily fees compared to \$604.00 to date this year. This is likely due to the economy and the increased costs of shooting. If there are any questions concerning the report, please call Mr. Farber and he will be happy to answer any questions. A Motion to accept was given by Delegate Latouf and second by Delegate Giaquinto.

President Minervini welcomed all participants from in and out of state and thanked them for attending. He also expressed his thanks to the Hartford Gun Club, Wayne and Joyce Morris and all of the corporate sponsors and clubs for their contributions and help in making the shoot a success. He also spoke about the importance and success of utilizing PreSquad.com.
