# 2017 Connecticut State Shoot HONOREE

## Richard J. Latouf

Rich Latouf was born in July 1959 in Pretoria South Africa. From an early age, he enjoyed hunting and fishing in the open fields of home. His Mother, a talented pistol shooter in her own right, fostered interest, respect and appreciation for marksmanship. Growing up, he was always tinkering with anything mechanical, often helping his Dad fix machines in their soda factory. If something was broken, he was keen to pull it apart and fix it. He would later do an apprenticeship as a tool and die maker.

The world-famous Kyalami Race Track was not far from his house and was a natural attraction for any of the local boys. There he developed a passion for motorcycles. He obtained his first motorcycle at age 14 and began racing. This would later bring him state side with Yamaha and he was "in awe" of the United States. He knew then that this was where he wanted to be. Determined, he returned a few years later settling in Connecticut where he worked for family maintaining landscape equipment and trucks. In his spare time, tinkering again, he started making bird houses and rabbit hutches for friends and then furniture. Always the self-taught kind of guy, he opened RJL WoodWork and went into business for himself. "That's the American way".

In his spare time, he enjoyed hunting deer, upland birds and fishing in Connecticut and while attending a gun show back in 1997 he met Pete Savino who was manning a booth for North Atlantic Sportsman. In conversation, the subject of trapshooting came about. Rich hadn't shot trap since he was in the military back in South Africa so he went to North Atlantic and met the owner, Joe Cimino as well as Dick Baldwin. By afternoons end he had purchased a shotgun. Baldwin and Cimino were early mentors and sponsored him in joining Pahquioque Gun Club. He was hooked. That summer his first registered shoot was the Connecticut State shoot where he has been the shoot off director for a number of years. An awarded competitive shooter throughout the Eastern Zone and Grand American, he doesn't say much about that. What he does revel in is the comradery and friendships that he has made throughout his participation in the sport. He served as a Director at Pahquioque for several years and upon becoming a member of Fairfield County he soon became the Club Delegate to the CTA. He then served as the Secretary for the CTA and in 2009 was elected as the Connecticut ATA Delegate. In life and around the trap line it is said that he never met a stranger.

# General Information 2017 Connecticut State Shoot

## TO ALL TRAP SHOOTING COMPETITORS:

The purchase of ammunition in the state of Connecticut requires the purchaser to possess a current Connecticut Pistol Permit OR Connecticut Ammunition Purchase Certificate. If you do not have either a permit or certificate we strongly suggest that you bring ammunition with you for all events you plan to shoot.

Each Singles and Handicap event will be shot on a 5 bank system. Two traps per bank, 50 targets per field, 5 targets per post. (Modified 50). It is **MANDATORY** that shooters bring 50 shells to their starting post.

Doubles events will be shot on a 10 bank system with every trap being a starting trap. 25 pair in two sub-events on the same trap.

Squads will be limited on Friday to 36-36-20 for Singles, Handicap and Doubles, on Saturday to 55 and to 32-55 for Sunday Doubles and Handicap.

Hartford Gun Club has a good neighbor policy limiting shooting until dark.

Vendors are not permitted to sell ammunition unless specifically permitted to by a CTA officer.

A practice trap will be open at 9:00 am.

Breakfast and lunch will be available.

The CTA meeting will be held between events Sunday to elect our ATA Delegate, Alternate and CTA Delegates at large.

Cashiering notes: The squadding table will be open at 7:30 am daily. The cashier windows will be open 8:00 am daily. You must be classified prior to cashiering.

The pay-off window will be open at 11:30 am daily. Pay-off sheets for Saturday's and Sunday's events, along with uncollected winnings will be mailed to all shooters.

It is the shooter's responsibility to make sure their score is posted correctly. Once the options are figured, there will be no changes.

Trophies will be handed out after 5:00 pm daily or on completion of the event.

The CTA reserves the right to refuse any entry, change or cancel all or part of the program, or adjust traps as circumstances require.
